

How To Use A Map Key

The keys will help you identify the different places on the given map. Identify the places and follow the instructions given below:

Instructions:

1. Color the area of the park in dark green.
2. Color the area of the soccer field in light green.
3. Put a circle around each city.
4. Draw a square around the capital.
5. Color all roads in black.
6. Color the church in red.
7. Color the restaurant in yellow.

MAP KEY

	→	RESTAURANT
