

Learning The Table Of Number 1

Multiply and complete the chart of the table of number 1.

$1 \times 1 = \underline{\quad 1 \quad}$

$1 \times 2 = \underline{\hspace{2cm}}$

$1 \times 3 = \underline{\hspace{2cm}}$

$1 \times 4 = \underline{\hspace{2cm}}$

$1 \times 5 = \underline{\hspace{2cm}}$

$1 \times 6 = \underline{\hspace{2cm}}$

$1 \times 7 = \underline{\hspace{2cm}}$

$1 \times 8 = \underline{\hspace{2cm}}$

$1 \times 9 = \underline{\hspace{2cm}}$

$1 \times 10 = \underline{\hspace{2cm}}$

$1 \times 11 = \underline{\hspace{2cm}}$

$1 \times 12 = \underline{\hspace{2cm}}$

In the given circle, multiply the number 1 at the center with the corresponding numbers in the middle circle. Write the correct answer in the space provided in the outer circle. One question is solved as an example for you.
