

Times Tables: #5

It's time for the easy-peasy times table for number 5. Write the correct answers in the provided spaces.

$5 \times 1 = \underline{\quad}$

$5 \times 2 = \underline{\quad}$

$5 \times 3 = \underline{\quad}$

$5 \times 4 = \underline{\quad}$

$5 \times 5 = \underline{\quad}$

$5 \times 6 = \underline{\quad}$

$5 \times 7 = \underline{\quad}$

$5 \times 8 = \underline{\quad}$

$5 \times 9 = \underline{\quad}$

$5 \times 10 = \underline{\quad}$

$5 \times 11 = \underline{\quad}$

$5 \times 12 = \underline{\quad}$

Write the correct number in the empty spaces to complete the equation. The first one is solved as an example.

$5 \times \underline{1} = 5$

$5 \times \underline{\quad} = 45$

$5 \times \underline{\quad} = 25$

$5 \times \underline{\quad} = 0$

$5 \times \underline{\quad} = 35$

$5 \times \underline{\quad} = 50$
