

Mike And His Friends

Read the passage and answer the questions given below.

Mike is a simple boy who lives in Bradford. He lives with his parents and brother, Adam. Mike has two friends, Sherry and James. They study at St. Mount High School and live in the same locality. Mike likes to play cricket, while Sherry and James like to paint. They like to party and eat out at Wimpy's. During the weekends, they spend time at Mike's place and play video games. They also like to watch movies and eat ice cream. Everyone in the school calls them The Happy Trio.
