

# The Zoo

## Read the passage and answer each question.

Ben and his dad went to the zoo yesterday. It was Ben's first time at the zoo. He was very excited and happy about it. As soon as they reached, Ben hurriedly went to the ticket counter. His dad bought two tickets, and they went inside. After entering the zoo, the first animal that Ben saw was a monkey. The monkey was hanging from a tree and was making noise. Then they moved ahead and saw an elephant sleeping under a tree, with a huge pile of forage lying by his side. Further, Ben saw a snake, leopard, kangaroo, and hippopotamus. He enjoyed watching all the animals and was happy to share his experience with his friends at school.
