

The Coloring Book

Read the passage and answer each question.

Cathy is my friend. It was her birthday yesterday. I gave her a coloring book and a pack of crayons. She likes coloring a lot. She was happy to see her present. The coloring book is big and has twenty coloring sheets. Each sheet has a picture of a fruit or animal. We can color them as we want to. I also use the same coloring book. Today, Cathy and I painted an apple, an airplane, and a tree. Cathy used pencil crayons, and I used wax crayons for coloring. We both enjoy coloring a lot.
