

Identify Common And Proper Nouns

A **common noun** is a noun that is used to represent a group of people, animals, places, or things. It does not name anything specific.

For example:

Mountain:

It is a common noun that does not name a specific mountain.

A **proper noun** is a noun that is used to represent a specific person, animal, place, or thing.

For example:

Mount Everest:

It is a proper noun that refers to a specific mountain.

Identify and write the type of noun (proper or common) in the given spaces.
