30th Anniversary

With These Sweet Words

“ If someone asked me to describe you in two words, I'd say simply amazing. ”

“ I love you for all that you are, all you have been, and all you are yet to be. ”

“ Forever is a long time, but I wouldn't mind spending it by your side. ”

“ I love you more each year. Here's to another year filled with love. ”

“ Meeting you was like listening to a song for the first time and knowing it would be my favorite. ”

“ You have touched a part of my heart that no one else has ever been able to get to. I will love you forever. ”
