

What To Look For In A *Linoleum* Floor Cleaner?

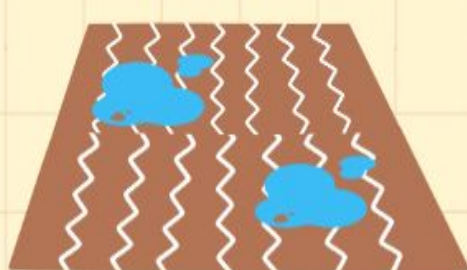

Look for a cleaner with polish, as linoleum can turn dark when in contact with sunlight.

Get a strong cleaning solution to remove any marks caused by heavy furniture.

Opt for natural cleaners sans harsh chemicals if you have small children.

Read the label for any toxic ingredients if you have pets at home.

Look for cleaners that won't leave a residue on the linoleum floors.

Get a cleaner with a soothing fragrance to experience aromatherapy.
