

# Tips To Follow When Buying A Book For 9- To 10-Year-Olds

Check the age guidelines to ensure the book is suitable for your child.

9+

Select the category your child is interested in – fantasy, graphic novels, humor, adventure, fiction, or nonfiction.

Consider the length of the book to avoid overwhelming your child.

Opt for an easy-to-read book that conveys the message or story clearly.

Check for illustrations, as children enjoy visual representation.

A

Ensure the font size is readable and not too small.

Read the reviews and the plot to get clarity about the book.
