

Dos And Don'ts Of Using Dishwasher Detergent

Do place the pods only in the dishwasher's dispenser compartment.

Don't place the detergent when the dispenser is wet.

Do store the detergent away from children's reach.

Don't touch the pods or tablets with wet hands, as the moisture may cause them to stick to the dispenser.

Do use detergents with salts to remove hard water stains.

Don't store the detergent in a humid area.

Do use detergents free of harsh chemicals or strong perfumes.

Don't use the dishwasher detergent as a liquid soap while hand-washing the dishes.
