Name Recognition Activities For Babies

Sing along

Pick a rhyme/song such as "itsy bitsy spider" or "old Mcdonald had a farm".

Add your baby's name in the rhyme/song, like "old McDavid had a farm," pointing to your baby.

Every time you take the baby's name, point at the baby so they can gradually relate and recognize the name.

Can I talk to?

Take a toy phone or a big block and imitate calling your baby.

Make a sound such as "tring, tring" to entice the baby.

Put the phone on the baby's ear and say the baby's name aloud.

When you say the baby's name, point at the baby and say their name with long pauses.
