"Your voice is my most-loved tune."

"It's only you who makes me feel out of this world."

"Your eyes, your smile, and just how you are, I just realized I am falling for you."

"You have an amazing quality of making people around you happy."

"I often fall short of words to describe how amazing you are."

"I still have butterflies in my stomach when I see you, even though it is more than a hundredth time."
