

Tips And Songs For Eliciting A Wave From Babies

Tips

1

Use familiar sounds and words to help the baby recognize them and wave in response.

2

Try games and activities that involve waving.

3

Use a toy to help the baby connect to the act of waving.

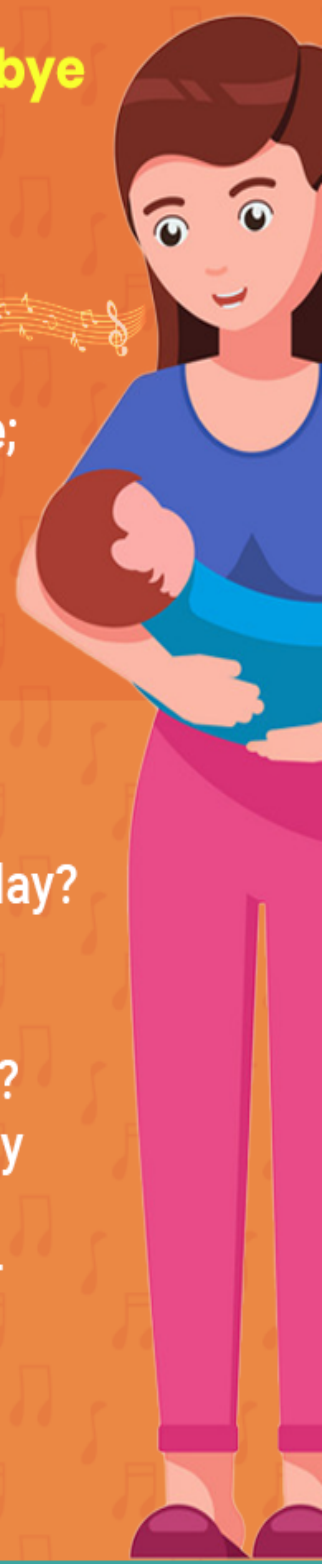

4

Encourage other family members to wave at the baby to reinforce the action.

Rhymes To Help Baby Learn Waving

1. Waving song- hello and goodbye

Waving hello, hello, friendly
neighbor
Waving hello and how are you
today
Now we are on our way; look at me;
I'm waving
I'm waving goodbye, have a
lovely day

2. Learn to say hello

Hello, hello. How are you doing today?
Hello, my friend. Would you like to
play?
Hello, my dear, how have you been?
Hello, hello, would you like to be my
friend?
It's so nice to see you, wind, rain or
shine,
Now it's time to say goodbye.
Hello again!
