# To Use

## Coat Racks

Coat racks can be used in the bathroom to hang towels and loofah

You can use them in the bedroom to hang used clothes until the next outing

Wind string or fairy lights artistically on a coat rack for a delightful display

Certain coat rack models can be used to hang birdhouses on the porch

Wall-mountable hook racks can be used to stash pans and skillets in the kitchen

Wall-mountable hook racks are suitable for hanging and displaying elaborate necklaces
