

DIY BIRD FEEDER CRAFTS

For
Children To Try

Popsicle stick bird feeder

Make a beautiful bird feeder with popsicles or ice cream sticks.

Log bird feeder

Assist your children in making an eco-friendly bird feeder by hollowing out a log and covering the top with a wooden lid.

Pinecone feeder

Hang a pinecone in a tree or on your balcony as a bird feeder, using honey to stick the seeds to the pinecone.

Orange bird feeder

Utilize the carefully peeled orange as a bird feeder by hanging it using strings and filling it with seeds.

Shoe bird feeder

Turn the old worn-out shoes at the house into a simple yet quirky bird feeder.

Toilet paper roll bird feeder

Use the old toilet paper roll to transform it into a creative bird feeder

Plastic bottle bird feeder

Reuse the plastic bottle innovatively by turning it into a bird feeder.

Juice carton bird feeder

Use the old juice carton as a bird feeder by making two big holes in the front side and filling it with bird seeds.
