

Dos and Don'ts Of Safe Usage Of Baby Blankets

Dos

Choose the right blanket size as per the baby's age.

Choose the right material for a baby blanket.

Choose the right blanket type as per the purpose.

Use fitted blankets that are not too loose.

Don'ts

Do not use blankets for newborns to avoid the risk of SIDS.

Do not use weighted blankets and sleep sacks.

Do not tuck the baby in a blanket higher than their shoulders.

Avoid blankets with frills, cords, and long strands.
