

# Ideas For A Fun — Beach Day — For Children

A Beach ball race where the children must reach the finish line while balancing on the ball without using their hands.

Dig narrow trenches on the sand close to the water using shovels to make a flowing river at the beach and ride toy boats.

A musical game of Limbo beach dance to see who can bend the lowest and cross the bar.

A competitive and fun game of tug of war between two teams where the winners may get an exciting prize.

A Beach treasure hunt for the children to find things such as shells, feathers, a hermit crab, and others, from the list you provide, within a given time.
