

Creative And Easy-To-Make

Insect Crafts For Children

Clay Caterpillar Craft

Teach them molding colorful clay pieces to make a beautiful caterpillar.

Button Ant Craft

Help your child recycle buttons from old shirts and craft them into an adorable ant.

Clay Snail Craft

Encourage your little one as they mold clay into the slim body of the snail.

Paper Cicada Craft

Watch and enjoy as your child folds the origami papers into a beautiful cicada.

Pompom Chenille Spider Craft

Support your child in crafting a fuzzy spider using pompoms and chenille stems.
