

HAIR

Crimpers

ADVANTAGES

Crimping adds volume to your hair.

Crimpers come with multiple features for versatile use.

Crimping gives a new texture to the hair and creates a frizz-free appearance.

Ideal crimpers suit any hair, be it curly, wavy, or straight.

High-quality crimpers are great for hair perming or staining.

Crimpers aid in creating various gorgeous hairstyles with a professional touch.

NOTE: Make sure that your hair is dry and you apply heat protectant before using hair crimpers.
