

Collection Of Opening

Lines To Send To

Your Online Date

“ One question: Do you like French fries with or without sauce? No pressure, I'm just curious to know if we could get along. ”

“ Which is that one topic you can talk about for hours and not get tired? ”

“ You have only one day left on earth. What would you do? ”

“ Do you want me to talk first or cut the formalities and take you out on a romantic date? ”

“ I am dreaming about you. Do not wake me up. ”

“ You will never have to worry about breakfast or dinner because I have great cooking skills. ”

“ Which category of the opening line would you like me to use: Harry Potter or Game of Thrones? ”
