*Self-Birthday Love!***

YAY!

I cannot keep calm, it's my 25th birthday. Hurray!

Party hard with me, and thank me later. Welcome to my 25th birthday celebration.

Rock this special day with me, and let us celebrate my 25 years!

It gives me great pleasure to celebrate my silver jubilee birthday.

Why wait? Wish me bundles of joy and happiness on completing 25 years.

To the fantastic 25 years, let's raise a toast and hope for more beautiful moments.
