

## Social Media Captions For Your Engagement Pictures

Marry me because  
I'd like to date  
you forever!

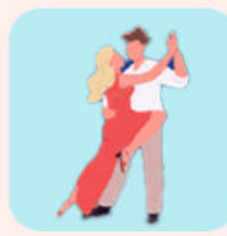

Traveling from  
Miss to Mrs.

Does this ring make  
me look engaged?

Taking the next  
step in our lives  
together.

I have found  
someone who stole  
my heart and gave  
his to me.

I said yaaaaas.

Pop the champagne;  
I'm changing my  
last name.
