

Tips For Selecting The **RIGHT PLAYMAT** For The Baby

Choose an easy-to-fold and portable playmat.

Prefer a playmat with toys and accessories.

Pick a multipurpose playmat that can be used from infancy to toddlerhood.

Choose a playmat made from baby-safe materials, such as organic or non-toxic materials.

Look for one that is easy to wash and maintain.

Look for a design that can benefit the baby's development.

Choose the one with a soft mat or cushion.

Prefer playmats that come with a cover or fit easily in a bag.
