

## Features To Look For In A

# Child-Friendly Shopping Cart

Get a lightweight shopping cart with smooth edges to avoid the chances of your child getting hurt.

Choose a shopping cart made of non-toxic material.

Opt for a shopping cart based on your child's age and size.

Look for a cart with a thick and padded handle for comfortable maneuvering.

Get a bright, multi-colored cart to make it more appealing to your child.

Avoid shopping carts with tiny or sharp accessories as they may pose the risk of choking.
