

Father's Day

Wishes To Celebrate His Selfless Love

"Dad, you are my hero and my role model. Thanks for being here for me and being a great example."

"Happy Father's Day! You're not just my father, but one of my closest friends."

"There's no possible way I could pay you back for all that you have done for me growing up, but I greatly appreciate all your hard work raising me. I wouldn't be who I am today without you."

"Dad, you have been one of my greatest influences in life. You taught me many things, but most importantly that I should never stop learning."

Thank you for being my mentor and my biggest fan. Did I mention my style icon? Happy Father's Day!

I love talking to you, hanging out with you, and hearing your advice. Thank you every day, but especially today!
