

## Crushing On Someone? Say It Smartly!

“

How about taking this offline conversation forward on a little more personal level?

”

I just finished reading a book; I know you would love it too; how about coming over to pick it up?

”

“

I want to learn dancing. Can you help me out? And yes, I need a partner too.

”

“

I have Netflix on and a weekend off; the only thing missing is you.

”

I lost my heart somewhere; the last time I had, was when I was with you.

”

“

Please send me your picture so I can show Santa what I want for Christmas.

”

The next time you hypnotize me with your charm, I will file a case against you.
