

# “Open When” Letters To Write For Your Special One

Open when you miss  
talking to me

Open when you miss  
going out with me

Open when you miss  
being comforted by me

Open when you tend to  
miss my singing

Open when you miss  
my foolery

Open when you  
miss kissing me

Open when you miss  
my smell

Open when you  
miss me
