

# Gorgeous *Hairstyles* & *Haircuts* For Your Pretty Toddler

## Pixie Haircut

An easy-to-manage haircut for toddlers where the hair is shorter at the back and sides but a little longer at the top.

## Forehead Bangs

A classic hairstyle where the hair is longer at all sides, except the forehead, where it is trimmed up to the eyebrow's length.

## Pigtails

One of the most popular hairstyles for little ones to simply put their hair in ribbons in two equally parted bunch.

## Single Fountain Pigtail

It is one of the classic hairstyles to put the hair from the front and sides in a ponytail at the top of the head, looking like a fountain.

## Side Clipped

An easy hairstyle to just side-part the hair and secure the side with more hair with a cute clip.

## Double-Side Buns

A cute hairstyle for little long hair to make a bun of side pigtails.

## Cropped Hair With Floral Hairband

With all her hair secured in a floral hairband, this hairstyle will make your little girl look like a fairy.

## Messy Hair Bun

A cute hairstyle where you can secure all her hair in a ponytail and make a bun by twisting the hair.
