

HILARIOUS Dad Jokes

For A Good Laugh

I am so amazing at sleeping that I can do it with closed eyes.

Spiders are so smart that they can look for anything on the web.

If you have seen a robbery at an Apple Store, you will be an iWitness.

I was complimented for my parking. Someone left a note saying, 'parking fine.'

My friend birthed her baby in her car, and so her husband named the child Carson.

Math books are always so sad because they have many problems.

I ordered an egg and chicken from Amazon. Just to check which one comes first.

There is no point in looking for a perfect match. Instead, use a lighter.
