

# Tips For Using GLITTER HAIR SPRAY

Randomly spray the glitter all over your hair for that last-minute party look.

Cover only a few strands of hair with glitter to achieve shimmering highlights.

Plait your hair and spray the glitter on every alternate braid.

Glitter only up to an inch from the hair tips to accentuate a sharp haircut.

Make a high pony and add shimmer to the raised base of the pony.

Create a ballerina bun and add glitter to the bun to accessorize it.
