

HOW TO INTRODUCE YOUR BOYFRIEND TO YOUR PARENTS?

SHOWCASE YOUR BOYFRIEND'S SKILLS OR TALENT FIRST

If your boyfriend is an artist, you can invite your parents to one of his performances. This may give a great first impression. Introduce him once he is done with his performance.

INVITE YOUR BOYFRIEND TO YOUR HOUSE

Invite him over dinner when your parents are around. Introduce him eventually.

INVITE YOUR PARENTS

If you are living with your boyfriend, invite your parents home. Discuss the matter over food.

PARENTS GET-TOGETHER

If your boyfriend's parents have already approved, arrange a get-together with parents from both sides.

ARRANGE A LUNCH DATE

Choose your parent's favorite restaurant to fix up a meeting with your boyfriend with them.
