

Fun Activities To Do With Your Children On Eid

Make Eid Greeting Cards

Engage children in making cards for their friends, cousins, or neighbors. Provide them with colors, embellishments, craft papers, glitter pens, etc.

Goodie Bags

Advise children to make goodie bags to hand out on eid as eid wishes. Fill them with candies, stationery items, and games.

Read Them Stories

To make the day extra special, read stories about Eid and explain to them about Muslim culture and values. You can also share your childhood memories of celebrating eid with them.

DIY Decorations

Gather newspapers, craft papers, and magazines and make some string of moons and stars to hang on the wall. You can also use fairy lights to make it look more beautiful.

Moon Sighting

Encourage children to gaze at the moon. This will show them how Eid is declared and encourage spending time with family.

Meal Preparation

Ask your children to help you with small chores like arranging a food platter or setting up a table.
