

BALLOON GAMES AND ACTIVITIES To Engage Children

BALLOON BURST

Tie a balloon to the players' left leg and instruct them to burst each other's balloon using their right foot and leg; one whose balloon remains inflated will win.

BALLOON DART BOARD

Stick balloons to cardboard and give three to five chances to one child at a time to throw a dart to burst the balloon and win the prize.

CATCH THAT BALLOON

Toss the balloon and call out the child's name randomly, who has to come and catch the balloon before it touches the ground.

SUNNY BALLOON BURST

Try this little science experiment to burst the balloon using sunrays passing through the magnifying glass to the balloons

BUBBLE BURST

In this fun game, stick a balloon to each chair. Let children run towards their seats to burst the balloon by sitting on it; one who returns to their original position first wins the game.

CATCH A BALLOON IN A FUNNEL

As the name suggests, in this game, children must catch the balloons in a funnel and keep them from falling into the ground for the longest.

BOUNCY BALLOON PAINTING

In this fun drawing activity, dip the inflated balloons in different colors and let children bounce these balloons on the paper to create unique impressions.

BALLOON WATER FIGHT

Mix two favorite elements of children - water and balloons for this game and let them throw water balloons at each other for fun.
