# Bras

## FOR LOW-CUT DRESSES

Choose a nylon or spandex bra to keep it from folding and rolling even when it doesn't have straps.

Ensure the bra has multiple sturdy hooks for easy and comfortable wearing.

Consider a wired bra for better support and definition to your dress.

Bras in nude shades can complement various colored dresses.

Get body-safe glue or tape if you are using a stick-on bra.

Pick a bra with multiway straps to accommodate any dress requirements.
