

Activities Your **Eight-Month-Old** Would Enjoy

Playing with water in the bathtub or outside under the sun in an inflatable pool with toys.

Mountain climbing on a pile of cushions and pillows over a mattress or a soft mat.

Singing and dancing to nursery rhymes or mimicking the sounds of the different animals in the songs.

Crawling through a DIY tunnel made with cardboard boxes and containing toys to make it more interesting.

Catching or popping soap bubbles by running around in the backyard.
