

Water

ACTIVITIES FOR

TODDLERS & PRESCHOOLERS

Water filling activity

Make them fill the big bucket with different cups, buckets, and mugs

Bubble play

Watch your cute little one have fun splashing bubbles and froth while bathing.

Watering plants

Inspire your little ones to water the plants and get closer to nature.

Ice treasure hunt

Hide their little toys in ice and have them dig them out in this fun science activity.

Float the boats

Teach your child to make colorful boats out of paper and sail them in the backyard pool.
