

Child Safety Precautions To Be Followed At Home

Install **lockable doors** to all cabinets containing toxic products.

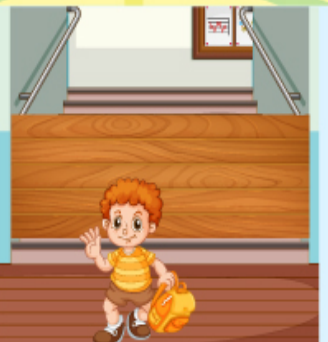

Teach pet safety and **supervise child-pet interactions**.

Keep children away from electrical outlets, appliances, and switches.

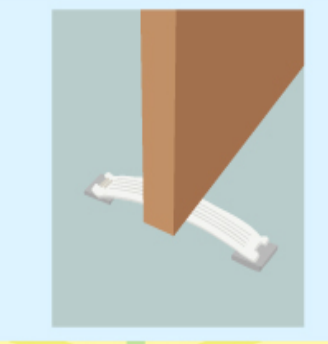

Keep small objects out of reach to avoid the risk of choking.

Install staircase, window, and door blockers.

Keep the crib bare of pillows and other loose beddings.

Install **door sleeves** to prevent doors from locking on their own.

Keep tools, firearms, and sharp objects out of reach.
