

Lovely Haikus For Your Aunt's Birthday Card

1 Pop the balloons
Do a funny birthday jig
Smile, as you're special!

2 Your teaching and love
Have taught me to trust myself
And take it easy!

3 You open my heart
So this life can be music
Joyful and happy!

4 Close your lovely eyes
Make a secret birthday wish
Watch it come to you!

5 I still remember
Our cycling trips to the lake
And love them deeply!
