

Aquarius And Sagittarius In Love And Romance

Aquarius

An Aquarius man thinks deeply about the relationship and will surely let his crush or partner know when he's in a serious relationship.

He is afraid to get into a relationship too quickly.

An Aquarius woman loves a partner who stands out in a crowd.

She can have trouble controlling her feelings when in love.

Sagittarius

A Sagittarius man's bold nature may make him look flirtatious and arrogant.

His love for freedom and independence may make him feel trapped in a relationship.

It takes a long time for a Sagittarius woman to fall in love.

She prefers adventure and seeks out connections that are spontaneous and exciting.
