Difficulties In A

# Libra-Aquarius

Relationship

Aquarian can guide  
Libra's uncertain nature.

Libra will gladly assist  
and support their  
Aquarian partner.

They both dislike  
fighting, which can  
benefit their relationship.

Both will make every  
effort to maintain  
their relationship.

They admire and  
complement each other.

Their excellent  
love, chemistry,  
and compatibility  
will overcome  
every obstacle.

The sense of humor  
between the two will  
help them overcome  
several problems.
