

Balancing Traits Of

Aquarius

And

Virgo

An Aquarian is creative and free-spirited, while a Virgo is organized and responsible.

Aquarius can be distant and nonconforming, while Virgo is a sweet people-pleaser.

While the Aquarian is inconsistent in their ways, the Virgo is reliable.

An Aquarian makes friends easily, while the Virgo tends to overanalyze things and can be over-critical.

The Aquarian can be unpredictable and eccentric, while the Virgo is diligent, hardworking, and a perfectionist.

An Aquarian is an extremist and independent, while the Virgo is patient and picky.
