

Marriage Annulment

— Vs. —

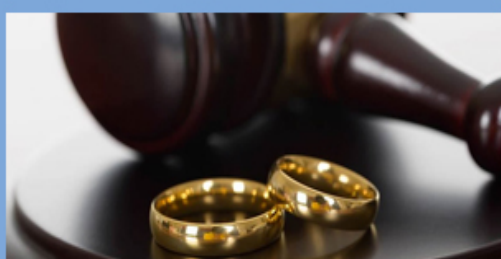

Divorce

Marriage Annulment

Divorce

Legally nullifies a marriage as if it never happened

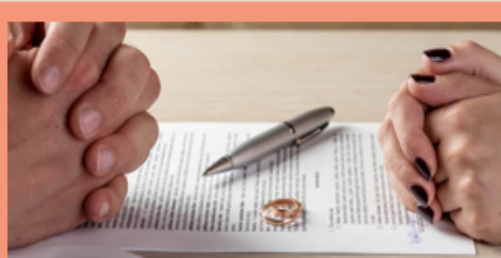

Ends a legally valid marriage

No specific period restrictions to nullify a marriage

Different regions have a specific waiting period

No alimony or discussion over assets, properties, or spousal support

Possibility of getting alimony or support

Considered 'unmarried' or 'single' after the process

Tagged as 'divorcee' after the process

Easy to apply with quicker proceedings

May take months, depending on the complexity of the case
