

Steps To Apply A LIP LINER Like A Pro

Step 1

Prep your lips by exfoliating them to smoothen them.

Step 2

Apply a lip balm to keep your lips hydrated and nourished.

Step 3

Wait until the lip balm is well-absorbed into the lips.

Step 4

Pick a lip liner that matches your lipstick color.

Step 5

Outline the outer edge of your upper lip, starting from the corner and using natural strokes.

Step 6

Repeat the process mentioned in step five for the lower lip.

Step 7

Fill your lips with the lip liner for the lipstick to last longer.

Step 8

Apply the lipstick followed by a lip gloss for a fuller appearance.
