

TIPS TO APPLY DRUGSTORE Lip glosses

Finish other
makeup before
applying lip gloss.

Select a lip gloss
as per the
occasion and your
skin tone.

Exfoliate and
moisturize
your lips.

Outline your lips
with a lip pencil
or liner before
applying lip gloss.

Apply a lipstick
(matte) of a similar
shade to highlight
the color (optional).

Use a concealer
to highlight
your lips (optional).

Apply setting powder
to make the gloss
stay longer (optional).

Apply lip gloss
in the middle of
your lips,
spread it gently
and evenly.
