

WAYS TO ENCOURAGE YOUR CHILD *To Read Books*

Inform the child about the cognitive and academic benefits of reading books.

Read to your child with animation and dramatic enunciation to make it a fun activity.

Place the books all over the house to make them easily accessible to the child.

Introduce them to various reading formats, such as comics, magazines, and poetry.

Schedule a dedicated family reading time that's fun and relaxing.

Discuss with the child the themes and story of the book they're reading.

Ensure a calm and reading-friendly environment at home.

Enroll yourself and your child in a local library.

Play games that are based on the book the child's reading.
