

TIPS TO SELECT A BABY JUMPER

Avoid jumpers that hang in the doorway and swing free.

Consider a product that has a soft, padded seat to support the baby's spine.

Look for a jumper that has multiple straps to keep the baby secure.

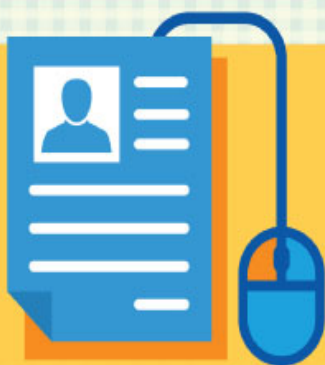

Check consumer reports for any recall for a brand of baby jumper.

Read consumer reviews to know potential shortcomings.

Buy a jumper certified by the government and other credible bodies.

Register the product and monitor product recalls.
