

Tips To Clean And Maintain A MEAL MANAGEMENT BAG

Image: Amazon

Remove any food crumbs from the bag after each use to prevent germ buildup.

Spot-clean the bag by wiping it with a soft cloth and warm soapy water.

Periodically wash the bag thoroughly, following the manufacturer's instructions.

Avoid tumble-drying the bag to keep the insulated lining intact.

Pack sharp cutlery before placing it in the bag to prevent cuts and pokes.

Avoid prolonged exposure to sunlight, rain, and humidity to preserve its thermal insulation.
