

# Things To Consider Before Getting A Cribbage Board

## Material

Look for a board made of sturdy materials such as wood or plastic for long-lasting fun

## Theme

Opt for a state or country map-themed cribbage board to make playtime educational

## Color

Look for cribbage boards with colorful cards and pegs for easy scorekeeping

## Size

Choose a foldable or smaller board if you have children or plan on using it on the go

## Safety

Get cards with rounded edges and boards with a stable base to avoid paper cuts and tipping

## Storage

Opt for boards with pockets, boxes, or pouches to store the cards and pegs
