

## Points To Consider When Buying A SheaMoisture Shampoo

Consider a shampoo that addresses your concerns.

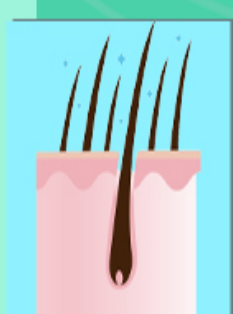

Select a shampoo that suits your hair type.

Look for ingredients that boost your hair growth.

Ensure the shampoo you choose has no sulfates or parabens.

Choose a shampoo that protects color-treated hair (if applicable).

Select a shampoo that is free of artificial fragrance.

Pick a shampoo that leaves no residue on your hair.

Select a shampoo that keeps your scalp healthy.
